Re: IWI Inc. Site, Summit, Illinois

Dear Mrs. Bensing:

This Firm represents Rock Valley Oil & Chemical Co., in connection with the EPA's 104(e) letter dated March 7, 2005, and addressed to "Chempet Corp. c/o Rock Valley Oil & Chemical". We are writing to advise that we are in the process of investigating the matters raised in the letter. However, we will not likely complete our investigation within the time set forth in the letter and we request an extension of 30 days, to and including May 7, 2005, to provide a response. Please contact me if you have any objection to this request.

Thank you for your anticipated cooperation.

Very truly yours,

Donald Q. Manning
